Subject: Submission of Supplemental Evidence – Attendance Coding Issue (Kaleb Xiong)

Dear CDE Investigator / CDE Intake,

We are submitting supplemental evidence in connection with our December 9, 2025 compliance complaint regarding Elk Grove Unified School District and our son, Kaleb Xiong.

This submission relates specifically to the district's continued classification of Kaleb's absences as unexcused and the school's written response, after notice and follow-up, declining to correct the attendance records.

Attached for your review are:

- **Supplemental Evidence Memorandum;** and
- **Supplemental Exhibit Index with Exhibits AM–AO**

Please let us know if any additional information or clarification would be helpful.

Thank you for your time and consideration.

Sincerely,

Yang & Mary Xiong
