Subject: CDE Case No. S-0824-25/26 – Clarification Regarding Scope of Investigation

Good afternoon Ms. Flores and Ms. Olmos,

We reviewed the **Compliance Investigation Notification received on December 26, 2025** and wanted to respectfully clarify the scope. We noticed that while the November 18, 2025 incident is referenced, the separate October 27, 2025 lip/gum injury incident described in our complaint materials is not specifically mentioned. We understand that this incident may be considered as supporting evidence within the safety, supervision, and implementation allegations already identified, and we wanted to confirm that it is included in the scope of the investigation in that context. Please let us know if any additional clarification from us would be helpful.

Sincerely,
Yang Xiong
