As of 08/01/2023, the services you can get and/or the amount of time you can get for services has changed.

Here's Why:

Total Hours:Minutes of IHSS you can get each month is now: 195:00. This is a/an increase/decrease of +162:44.

You will now get the services shown below for amount of time shown in the column "Authorized Amount of Service You Can Get." That column shows the hours/minutes you got before, the hours/minutes you will get from now on, and the difference. If you are getting less time for a service, the reason(s) is shown on the next page.

- 1) If there is a zero in the "Authorized Amount of Service You Can Get" column or the amount is less than the "Total Amount of Service Needed" column, the reason is explained on the next page(s).
- 2) "Not Needed" means that your social worker found that you do not require assistance with this task. (MPP 30-756.11)
- 3) "Pending" means the county is waiting for more information to see if you need that service. See the next page(s) for more information.

State Hearing: If you think this action is wrong, you can ask for a hearing. The back of this page tells how.

YOUR HEARING RIGHTS

1. You have the right to ask for a conference with the county to talk about this action. At the conference you can speak for yourself, or someone else (a lawyer, relative, friend, or other person) can speak for you. If you want a conference, contact the county.
2. Whether or not you ask for a conference, you also have the right to ask for a hearing if you disagree with any county action. You have only 90 days to ask for a hearing. The 90 days started the day after the county gave or mailed you this notice.
3. If you ask for a hearing before an action on your In-Home Supportive Services (IHSS) takes place, your services will continue until the hearing. If you make your request in good faith, you will not have to repay any money you receive for services you get pending the hearing, even if the hearing decision says the county's action was right.
4. You can ask for a hearing in person or in writing. You have to say that you want a hearing and tell the reason(s) you want one.
5. You can ask for a hearing on your own or you can ask the county for assistance. Either way, you should tell your worker as soon as possible.
6. At a hearing, you can speak for yourself, or someone else (a lawyer, relative, friend, or other person) can speak for you. You can get free legal help at your local legal aid or welfare rights office. For a legal aid referral, call the toll-free number listed on this page.
7. If you do not want to go to the hearing alone, you can bring a relative, friend, or other person with you.
8. You can review the regulations about hearings at your local IHSS office.
9. Information Practices: The information you give to ask for a hearing is required to process your request according to state law. A case file will be made up for the hearing and you have the right to look at the information in the file. Any information you give may be shared with the county or the United States Department of Health and Human Services.

TO ASK FOR A HEARING:

- Fill out this page.
- Make a copy of the front and back of this page for your records. If you ask, your worker will get you a copy of this page.

- If you need more space, check box and add a page.
- I need the state to provide me with an interpreter at no cost to me. (A relative or friend cannot interpret for you at the hearing.) My language or dialect is:
